2. The number of documents registered during the year 1947-48 fell from 1,494,925 to 1,369,418 or by 8.39 per cent. There was a decrease of 8.66 per cent in compulsory registrations and of 5.27 per cent in optional registrations. The aggregate value of registered documents decreased from Rs.93.13 crores to Rs.88.37 crores. Owing t the decrease in registrations the income from fees for registering documents fell from Rs.80.37 lakhs to Rs.69.61 lakhs. O. Ms. No. 1556, Revenue, dated 2nd July 1947).

5-B *Stamp duty by way of surcharge.*—The amount of surcharge duty collected on certain transfers of immovable property, viz., sales, gifts or mortgage with possession, under section 116-A of the District Municipalities Act, 1920, section 135 of the Madras City Municipal Act, 1919 and section 110-A of the Local Boards Act, 1920, during the official year 1947-48 was Rs. 1,78,22,966-15-0 and 2½ per cent of the amount referred to above was credited to the revenues of this department as collection charges.

6. *Departmental improvements.*—As there was a tendency for undervaluing documents consequent on the enhancement of stamp duty under the Madras Increase of Duty Act, XVI of 1943 and the imposition of surcharge duty on certain transfers of immovable property, viz., sales, gifts and mortgages with possession, instructions were issued to registering officers to examine all instruments in general and particularly the classes of documents referred to above carefully with a view to detect undervaluation and report all such cases of undervaluation with intention to defraud Government of stamp duty to the Collectors concerned for taking action under sections 27 and 64 of the Stamp Act.

The levy of surcharge duty at 4 per centum on transfers of immovable property, viz., sales, gifts and mortgage with possession was extended to Mettur Township (G.O. Ms. No. 939, Public Works (Irrigation), dated 31st March 1947).

Women were permitted to be employed as clerks and typists in the Registrars' offices (G.O. Ms. No. 408, Revenue, dated 24th February 1948).

A special pay of Rs. 10 per mensem was granted to upper division clerks for supervisory work in Registrars' offices (G.O. Ms. No. 1296, Revenue, dated 29th May 1947).

7. *Registrations.*—The number of registrations fell from 1,494,925 to 1,369,418 or by 8·39 per cent. The fall in registrations was general in the Province as a whole except in the district of West Godavari, which showed an increase by 1·43 which is too slight to call for any remarks. The decrease was marked in the following districts :—

Calicut 11·88 ; Coimbatore and the Nilgiris by 8·96 and 11·67 per cent respectively ; Guntur 15·77 ; Madura 11·18 ; South Kanara 10·35 ; Kistna 11·16 ; Palamcottah 11·69 ; Palghat 11·95 ; Ramnad 16·94 ; Salem 12·80 ; Tanjore 11·24 and Tellicherry 8·37.

The fall is due to the failure of the north-east monsoon, the intensification of the National Savings Movement, the tendency among ryots not to part with their lands and the tightness of the money market.

8. *Classes of documents.*—Compulsory registrations fell by 8·66 per cent and optional registrations by 5·27 per cent. The fall was contributed by sales which fell by 9·60 per cent, by mortgages which fell by 8·89 per cent, by compulsory leases which fell by 13·29 per cent and by optional leases which fell by 23·97 per cent. The fall under leases is due to unsettled land tenures and political conditions. The gifts rose by 4·97 per cent and this is due to the desire on the part of the donors to gift away their properties even during their lifetime.

No remarkable or curious documents were registered during the year.

9. *Wills including authorities to adopt.*—Wills rose from 14,148 to 14,356 or by 1·47 per cent, while authorities to adopt fell from 8 to 3 or by 62·50 per cent. As usual the Hindus registered the largest number of Wills.

10. *Value of transactions.*—While the aggregate value of registered documents decreased from Rs. 92·13 crores to Rs. 88·37 crores, the average value of documents increased from Rs. 622 to Rs. 652 due to the inflated condition of the prices of lands and house properties. The average registration fee rose from Rs. 4-0-7 to Rs. 4-5-7, which is due to the enhancement of fees under certain articles referred to in paragraph 5 supra.

11. *Searches and copies.*—The number of applications for encumbrance certificates rose from 70,449 to 79,454, applications for single searches fell from 125,312 to 122,913, and the number of certified copies fell from 134,895 to 133,943.

12. *Transcription and return of documents.*—The documents were as usual transcribed and returned promptly and the percentage of documents returned by post showed an increase from 8·80 per cent to 10·12 per cent.

13. *Work done for co-operative societies.*—The number of documents presented by or on behalf of co-operative societies excluding land mortgage banks increased from 39,994 to 41,964 as well as searches, which rose from 15,491 to 17,539. The amount of fees foregone rose from Rs. 1,70,189 to Rs. 2,13,633 on account of increase in the transactions.

In the case of land mortgage banks the number of documents registered rose from 4,464 to 4,645. The number of searches rose from 11,301 to 13,380 and the fees foregone rose from Rs. 1,32,020 to Rs. 1,60,171 due to increase in transactions besides the full concession given to Scheduled class members.

14. *Prosecutions.*—At the end of 1946-47 there was one prosecution by the department pending. Two were instituted during 1947-48. Out of the three, two were disposed of during 1947-48 leaving one pending. Four instituted by private parties were pending at the beginning of 1947-48, two were instituted during the year Out of these six, three ended in conviction, one was acquitted leaving two pending at the close of the year.

15. *Inspections.*—All the sub-registry offices were inspected by the District Registrars. All the offices of the District Registrars and eight sub-registry offices were inspected by me and the Inspector of Registration Offices inspected 59 sub-registry offices.

16. *Casualties.*—One Registrar and fifteen Sub-Registrars retired on superannuation pension, one sub-registrar was invalided, three sub-registrars died, two sub-registrars were dismissed and one sub-registrar resigned from service

17. *The Societies Registration Act.*—Two thousand nine hundred and twelve societies, registered under the Societies Registration Act, 1860, were working in the Madras Province at the commencement of the year 1947 During the year 1947, 463 new societies were registered and 41 societies were either dissolved or treated as defunct. Of the societies dissolved or treated as defunct 2 societies were restored to file on their filing the overdue list of members of governing body. The number of societies actually working at the close of the year 1947 was 3,336. A sum of Rs. 23,149-8-0 was realized as receipts during the year 1947 as against Rs. 23,829-2-0 of last year. The fall in receipts is too small to call for any remarks. As the work connected with the above Act is performed by the officers of the Registration Department, no extra expenditure was incurred.

18. *Income.*—Owing to the decrease in registration (paragraph 7 supra) the income from fees for registering documents fell from Rs. 60·37 lakhs to Rs. 59·61 lakhs The income under search fees and other receipts showed a rise of Rs. ·37 lakh and Rs. 3·28 lakhs respectively Accordingly the total income rose from Rs. 76·04 lakh to Rs. 78·93 lakhs.

19. *Expenditure.*—The expenditure rose from Rs. 45·5 lakhs to Rs. 49·97 lakhs, owing to the revision of the salaries of Non-Gazetted Officers from 1st January 1947 The surplus income over expenditure (including refund but excluding pensionary charges and interest on capital outlay on buildings) was Rs. 28·87 lakhs.
